The Program

This year we will focus on the Practice, Play, and Presence aspects of our recovery paths, building community, opportunities for practice including meditation, mindful movement, and of course fun!

Health and Safety

We ask the community to consider **lovingkindness and compassionate care**; recognizing that many in our community have various levels of health concerns. With this in mind, we ask that everyone who is attending the 2022 RDG Summit be **vaccinated**. Our mask policy will be decided upon as we get closer to the Summit.
